

Delaware Emergency Management Agency

Course Description

COURSE CODE/TITLE	G-191	Incident Command System/Emergency Operations Center Interface (APS Course)	
COURSE LOCATION	DEMA 165 Brick Store Landing Rd. Smyrna, DE 19977		
COURSE DATES	14 June, 2022	COURSE TIME	0830-1630
COURSE DESCRIPTION	The goal of this professional development course, E/L/G 0191 Emergency Operations Center/Incident Command System Interface, is to enable the students to develop an effective interface between the Incident Command/Unified Command and the Emergency Operations Center by applying National Incident Management System principles. This is a virtual class. You will receive a link to the class two days prior to the class start date and an electronic copy of the student guide.		
COURSE OBJECTIVES	<ul style="list-style-type: none">• Explain the course structure and potential ICS/EOC interface challenges.• Explain key NIMS concepts, command and coordination systems, and structures.• Analyze given scenarios to determine commonalities and potential interface issues between ICS and EOCs.• Explain the respective roles and interconnectivity of the NIMS command and coordination systems in coordination.• Contrast the typical role and functions of the Incident Command and the EOC during emergency operations.• Analyze given scenarios to apply ICS/EOC interface concepts.• Develop an ICS/EOC interface action plan for your community.		
PREREQUISITES	IS-0100 An Introduction to the Incident Command System, ICS 100 • IS-0700 An Introduction to the National Incident Management System • IS-0800 National Response Framework (NRF), An Introduction • IS-0200 Basic Incident Command System for Initial Response, ICS 200 or • IS-2200 Basic Emergency Operations Center Functions		
TARGET AUDIENCE	This course is designed for two different groups of people. People who typically work in the on-scene Incident Command organization and people who work in the Emergency Operations Center organization (as part of the multi-agency coordination (MAC) systems) and stresses building the interface (or coordination) between the two by helping them see what the other group is doing to help resolve the incident.		
OPEN TO THE PUBLIC	No		
COST/MEALS	The training and course materials are provided at no cost to the state, local organization or responder.		

All classes have limited seats. Registrations will be processed on a first come/first served basis. If you have any questions please e-mail training.dema@delaware.gov
